

Summer Internship Opportunity at SBI Group

7F-1, No.151, Zhouzi Street., Neihu District, Taipei 114 | T: +886 2 2659 2769 | F: +886 2 2659 3169

SBI & Capital 22 Management Inc. ("SBI & Capital 22") is the Taiwan subsidiary of SBI Group, the largest venture capital firm in Japan with over NT\$900 billion in funds under management, and is listed on both the Tokyo Stock Exchange (TYO:8473) and the Hong Kong Stock Exchange (SEHK:6488).

As the Taiwan subsidiary of SBI Group, SBI & Capital 22 is primarily responsible for evaluating and investing into startup companies and providing them with strategic support. At the same time, SBI & Capital 22 also engages in incubating and growing a number of promising seed stage companies which are often not more than just a concept.

Interns who are invited to participate in this opportunity will be primarily responsible for constructing and developing the infrastructure behind a video streaming website which SBI & Capital 22 is currently c. Interns will have a unique opportunity to gain exposure to both the financial and technology side of business, as well as high level networking opportunities within the industry.
