

101 年 3 月 通過 學術審查

95 學年度入學 (博六)

Journal Papers

1. Chen-Yi Lin, Jia-Ling Koh, and Arbee L. P. Chen, “Determining k -Most Demanding Products with Maximum Expected Number of Total Customers,” *IEEE Transactions on Knowledge and Data Engineering*. (Accepted) **(EI, SCI; Impact Factor: 1.851, 5-Year Impact Factor: 2.899)**
2. Chen-Yi Lin, Jia-Ling Koh, and Arbee L. P. Chen, “Finding t Most Favorite Products based on Reverse Top- k Queries,” *IEEE Transactions on Knowledge and Data Engineering*. (Submitted)

Conference Papers

1. Chen-Yi Lin, Jia-Ling Koh, and Arbee L. P. Chen, “A Better Strategy of Discovering Link-Pattern Based Communities by Classical Clustering Methods,” In Proceedings of *the 14th Pacific-Asia Conference on Knowledge Discovery and Data Mining (PAKDD 2010)*, pp. 56-67, 2010. **(Full Paper, Acceptance Rate: 10.2%)**
